

Melville Douglas SA Inc. AMC

Investment Strategy

Melville Douglas SA focused AMC is a South African equity structured note that references companies listed on the JSE. The objective is to provide long term capital growth and targets returns. The note is a long only product and does not make use of leverage. The investment process is focused on identifying long term value accretive businesses that we believe are underappreciated by the South African market.

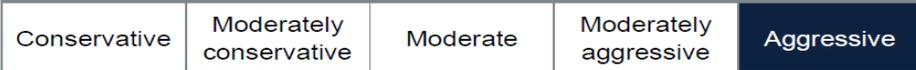

Investor Profile

The Melville Douglas SA focused equity portfolio provides investors with an opportunity to gain exposure to a focused portfolio of JSE listed companies primarily exposed to the SA economy. This certificate is a long only strategy and does not make use of leverage.

Risk Indicator

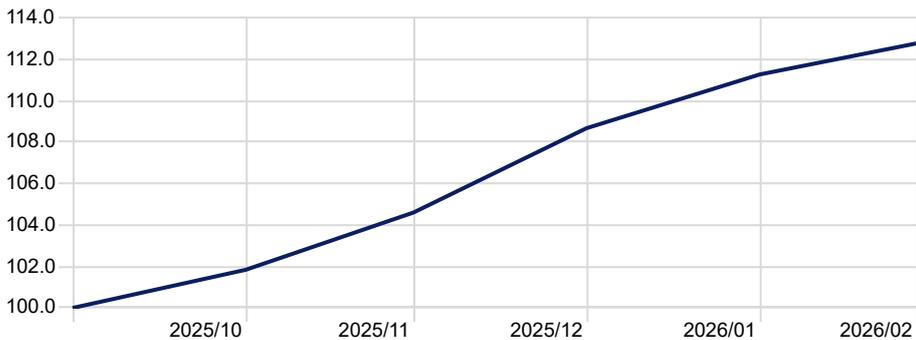

Aggressive. These investments typically exhibit more volatility given the exposure to equities, which may result in capital losses.
